

Program Overview

The ABA Retirement Funds Program has been serving the retirement needs of the legal community for more than 55 years. In 1963, the ABA Retirement Funds Program (“the Program”) was established to offer unique retirement solutions exclusively to the legal community. Created as a not-for-profit corporation, the ABA Retirement Funds encourages retirement savings by lawyers and leverages its membership to bundle some of the largest and best-known financial services providers in the industry.

LEVERAGING OUR SIZE

The Program brings together over 4,000 law firm retirement plans to offer a platform of investments and a service package typically available to only the largest of corporate retirement plans.
